Decision List No. 42, Week of July 14 Through July 18, 1997**Appeal**

Tri-State Drilling, Inc., 7/18/97, VFA-0304

The DOE's Office of Hearings and Appeals granted in part a Freedom of Information Act Appeal filed by Tri-State Drilling, Inc. Tri-State sought the release of unsuccessful bids for a specific contract that the Bonneville Power Administration (BPA) withheld in their entirety. The DOE found that BPA's withholding was not sufficiently

explained and justified in its determination letter. Accordingly, the Appeal was remanded to BPA and denied in all other aspects.

Personnel Security Hearings

Personnel Security Hearing, 7/14/97, VSO-0128

A Hearing Officer recommended that access authorization be restored when it was uncontested that the individual used an illegal drug on one occasion. The individual's statements that she had only used illegal drugs on one occasion were corroborated by independent evidence. This evidence included the results of twenty-one random drug tests administered over a long period of time. The Hearing Officer also found that it was unlikely that the individual would use illegal drugs again.

Personnel Security Hearing, 7/16/97, VSO-0141

A Hearing Officer found that an individual had successfully mitigated security concerns arising from an allegation that the individual had molested his former foster child. Accordingly, the Hearing Officer recommended that the individual's access authorization be restored.

Petition for Special Redress

Philip P. Kalodner, 7/16/97, VSG-0001

Philip P. Kalodner requested a "class fee" for his participation in the agency's enforcement proceeding against Occidental Petroleum Corporation. The DOE denied the request on the ground that the purported class, Subpart V claimants, had no cause of action or right of intervention with respect to an agency enforcement proceeding. The DOE rejected Mr. Kalodner's contention that provisions in subparts O and V of the DOE procedural regulations authorized the requested fee. Finally, the DOE rejected Mr. Kalodner's arguments based upon fairness.
